## KEVIN D. WIEDERHOLD

### Expert Inspections and Locator Services

---

C.R.I., Inc. is a full-service residential and commercial inspection company. As the primary inspector, Kevin has over 27 years of experience working in the construction industry. He has four years of training in construction management and building-related courses from Southern Utah University in Cedar City, Utah. He actively engages in on-going training to ensure he has all of the current technologies available for his customers.

As a litigation consultant, I use expertise, visual aids, animation and technology to demonstrate and explain construction defects in a simple and obvious way.
